About Danfoss Learning ... Danfoss Learning Virtual Tour - Getting started 6 Steps

Guided Tour ... Login. Go to the Danfoss Learning Login page ...

Follow the steps to get registered to Danfoss Learning.

Step 1
What to do...

Click on the **'Registration'** button to open Danfoss Learning Registration form

The screenshot shows the Danfoss Learning website interface. At the top, there is a navigation bar with links for 'About', 'Login', 'How to', 'FAQ', and 'Support'. The main header features the Danfoss logo and the text 'Danfoss Learning' followed by a description: 'Danfoss Learning is your online access point to knowledge. Choose from an extensive catalogue of virtual and face-to-face courses, gain confidence and sales potential as your skills improve.' Below this is a large graphic of a computer keyboard with the word 'Learn' and the tagline 'and improve your chance of success' overlaid. At the bottom of the page, there are three buttons: 'Login', 'Registration', and 'Site Tour'. The 'Registration' button is circled in red, and a red arrow points from the text in the left sidebar to it. The 'Registration' button has a checkmark icon and the text 'Register for Danfoss Learning'. Below the buttons, there are links for 'Terms of Use', 'Privacy Policy', and 'General Information'.

Step 2

Registration Form

Fill in the registration form with your details as appropriate.

Fields marked with **'red asterisk' (*)** sign are mandatory.

How to Login

You can log into Danfoss Learning platform by following below guide – all it requires are internet access:

Login from your House/public place

- Access to Danfoss Learning platform via Internet - **A valid username and password is required**

What to do...

How to do...

Step 1

In the Danfoss Learning Home page identify and click on one of the **'Login'** links.

Log-in page opens up in a new browser window.

Step 2

- Insert **'Username'**
(case insensitive)

Your 'username' is your **email address** (cannot be changed)

- Insert **'Password'**
(case sensitive)

By **default** your 'password' is the **password you received in the email** (strongly recommended to change once logged in)

- Click **'Log In'** button

Your personal Danfoss Learning dashboard opens up in a new browser window.

The screenshot shows a web browser window titled "Danfoss Learning". The browser's address bar shows "Danfoss Learning". The page features the Danfoss logo in the top right corner. The main content area includes a welcome message: "Welcome to **Danfoss Learning** – your entry point to knowledge of Danfoss products and related technologies." Below this, there is a bullet point: "Registered Users can login and register for a course". A red warning message states: "Remember to select language before login." To the right, there is a "Please Log In:" section with three input fields: "Username:" containing "smith@mail.com", "Password:" with masked characters, and "Language:" with a dropdown menu set to "User's Default". A "Log In" button is located below these fields. At the bottom of the login section, there is a link: "Forgot your password?".

Important:

-Once logged into your personal Danfoss Learning dashboard, you are strongly recommended to change you default password to a new one.

How to Change Password

You are strongly recommended to change your default password to a new one once you successfully log into the Danfoss Learning platform. Follow the instructions to change your password.

What to do...

How to do...

Step 1

Click **'My Account'** link on top of your dashboard.

A pop up window **'My Account: Preferences'** will show up.

Click on the tab **'Account Details'**

Step 2

Insert '**Current Password**'

Insert '**New Password**'

Retype the new password to confirm it.

(the password should be at least 6 characters in length)

Select 'Secret Question' and 'Secret Answer' (optional)

Click '**Save and Close**' button to change the password.

The screenshot shows a web browser window titled "Danfoss Learning - Windows Internet Explorer". The address bar shows "My Account: Account Details". The page has three tabs: "Preferences", "Proxy Settings", and "Account Details". The "Account Details" tab is active. The "Change Password" section contains the following fields:

- User Name: U246385
- Current Password*: [Redacted]
- New Password*: [Redacted]
- Confirm New Password*: [Redacted]
- Secret Question: [-Select One-]
- Secret Answer: [Empty]
- Confirm Secret Answer: [Empty]

At the bottom right, there are three buttons: "Save", "Save and Close", and "Cancel". The "Save and Close" button is highlighted. A status bar at the bottom shows "Trusted sites" and "100%".

Next time you log into Danfoss Learning platform you will have to use the new password you confirmed.
