

# THE TALENT WE FIND

## Applicant:

*Kyal Urlich*

**Qualified Marine Systems Technician  
& Ex-Defence Member**

## Resume Highlights:

- **Diploma of Mechanical Engineering**
- **Certificate IV in Mechanical Fitting**
- **Royal Australian Navy – Marine Systems Technician**
- **Ex-Defence Member (NAVY)**
- **Drivers Licence**

Kyal is a qualified and experienced Marine Systems Technician who was employed in The Royal Australian Navy for over seven (7) years, finishing with two years of service working within a team developing and maintaining the condition monitoring department, at HMAS Waterhen's Fleet Support Unit.

Kyal fulfilled the role of a Plant Maintenance Technician and has practical experience working with commonwealth safety standards, ability to interpret schematic diagrams and the proven ability to work autonomously as well as in a team.

Kyal has developed and assisted in a variety of technical projects including assist in the development and implementation of quality processes; conduct preventative, corrective and reactive maintenance; plan maintenance tasks for Electrical and Instrumentation on board HMA Ships; fault finding on machinery; liaise with planning offices and advise on corrective work action and development of standard operating procedures and new user training.

Kyal is looking for an opportunity to undertake a Mature-Aged apprenticeship in Air-Con/Refrigeration.
