

THE TALENT WE FIND

Applicant:

Jacob Strickland

Ex-Defence Member

Resume Highlights:

- **Ex-Defence Member (ARMY – Communications Systems Operator)**
- **Certificate II in Electrotechnology**
- **White Card**
- **Driver's Licence & Own Vehicle**

In 2014, Jacob joined the Australian Defence Force where he served as a Communications Systems Operator. In this role, Jacob was responsible for the operation and maintenance of communications equipment; ensured Commanders can communicate with their units using satellite terminals, radios, hand held and desk top data terminals and security equipment; conduct Battlespace Spectrum Management and Force Protection Electronic Counter measures; resolve issues with communication links in the daily operational environment; work to tight deadlines to ensure all services are provided to the Defence Force and provide daily management of team members.

Prior to his enlistment in the Australian Army, Jacob completed contract work for Ergon Energy where he carried out SWER and NON-SWER earth testing. Jacob worked in rural and remote Queensland running earth leads and earth stakes to test for transformer earth resistivity.

Jacob boasts remarkable communication skills, leadership and interpersonal aptitude. Jacob is a multi-skilled individual with proven interpersonal skills, excellent communication and time-management skills, strong leadership qualities and consistently demonstrates an excellent work ethic.

Jacob is completing his Certificate II in Electrotechnology, and is extremely motivated to develop his skills within the Electrical Industry. Jacob is looking for the opportunity to commence an Adult Apprenticeship in Electrical.
