

THE TALENT WE FIND

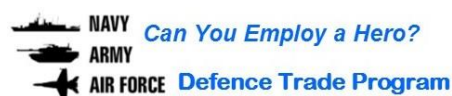

Applicant:

Neil O'Grady

**Avionics Technician &
Ex-Defence Member**

Resume Highlights:

- Ex-Defence Member (ARMY – Cavalry Troop Sergeant)
- Certificate II in Electrotechnology
- White Card
- Work in Confined Spaces Ticket
- Driver's Licence & Own Vehicle

Neil joined the Australian Army in 2006 as an Avionics Technician Trainee where he performed basic avionics aircraft maintenance on trainer jets. Neil's duties consisted of inspecting, testing, adjusting, and repairing avionics equipment such as radar, radio, pulse, navigation and compass systems; use of hand tools and test equipment when inspecting components of avionic equipment for defects such as loose connections, frayed wire and for accuracy of assembly and installation as well as adjusting, repairing and replacing defective components based on analysis of test results by following manuals and schematics. Neil would also conduct electronic repairs down to component level on printed circuit boards.

Neil has held several ranks within Defence including Cavalry Troop Sergeant, Cavalry Gunnery Instructor and Cavalry Section Commander.

Neil is a multi-skilled individual with proven interpersonal skills, excellent communication and time-management skills, strong leadership qualities and consistently demonstrates an excellent work ethic. Neil excels when working in a team environment as well as individually.

Neil is extremely motivated to develop his skills within the Electrical industry and is looking for the opportunity to commence an Adult Apprenticeship in Electrical come January, 2018.
