

# THE TALENT WE FIND

## Applicant:

***Tyrone Derbogossian***

**Electronics Technician &  
Ex-Defence Member**

### Resume Highlights:

- **Ex-Defence Member (NAVY – Electronics Technician)**
- **Certificate IV in Electronics & Communication**
- **Driver's Licence & Own Vehicle**

Tyrone joined the Australian Navy in 2011 where he worked as an Electronics Technician. Reaching the rank of Able Seamen, Tyrone specialized in electronic componentry, maintenance, repair and operation of electronic and related sub-systems including but not limited to, RADAR systems and displays, Navigation aids, Command and Control systems, Weapons systems (guns, missiles, torpedo systems), Fire Control systems, Satellite equipment (GPS, SATCOM), Electronic surveillance and warfare systems as well as Underwater systems (SONAR, Echo Sounders, Torpedo Countermeasures).

Tyrone performed roles and responsibilities as a Qualified Tradesperson on Guided Missile Frigate, Hydrographic Survey and Landing Craft Heavy Class ships. Tyrone was responsible for the servicing, inspection and scheduled/unscheduled maintenance of internal/external communication equipment; performed maintenance tasks; read and interpreted maintenance manuals, service bulletins, and other specifications as well as tested the operation of systems using a variety of test equipment.

Tyrone is a multi-skilled individual with proven interpersonal skills, excellent communication and time-management skills, strong leadership qualities and consistently demonstrates an excellent work ethic.

Tyrone is extremely motivated to develop his skills within the Electrical industry and is looking for the opportunity to commence an Adult Apprenticeship in Electrical. With Tyrone's exceptional experience and qualification, Tyrone would be able to commence an Electrical Apprenticeship as a 2<sup>nd</sup> Year (12 months' worth of RPL/CC).
