

**YOUR TRADE!  
YOUR RIGHTS!  
YOUR VOICE!**

## ARMA

ARMA is your grass roots, industry-led platform for Australia's HVACR Industry's tradespeople.

Your voice is being heard by all levels of government, regulators and industry stakeholders.

Because we listen to our members voices and concerns, ARMA is committed in the establishment of a national RAC industry board.

ARMA will continue its push for a nationally consistent trade based licence for its skilled tradespeople. ARMA is focused on delivery of real representation, transparency, integrity and honesty within our industry.

## Mates Rates for Fridgys App

Our MRF app is designed by RAC tradespeople, who understand the HVACR environment

Our app continues to grow with practical information and solutions for its tradespeople

- Gathers valuable data onsite from installations, details equipment that loses refrigerant, a quick and easy upload of data and reporting.
- End of life refrigerant amounts reclaimed— simply enter the details of the amount of refrigerant you have reclaimed at the end of a systems life.
- Lodge a complaint of unsafe work to ARMA and we can take it from there for you, lodging to the compliance department in your state or territory, a quick, easy process, we know your time is valuable.
- “Have your say” links to our forum, start a group- chat and invite people to join, can be public or private groups.
- HVACR maintenance with error codes
- HVACR books including algebra self-testing
- Online training links

**Mates Rates for Fridgys**

Mates Rates for Fridgys We've Got Your Back Mates Rates for Fridgys is all the information we think you need to know to be the best Fridgy you can be. It's about growing your business and enabling you to get the tools and information you need. You know the industry is constantly changing. It's hard to keep up with all the news rules, regs. and technology from the point of view of the trade. We want to help you stay on top of your business in every way we can think of and you can ask us about. You will find every kind of information we think you need to make your life easier and more profitable. The App is set up so that you can drill into the sector of the industry that matters to you. It is also structured to cover all the topics that we think you need to be informed about. It's brought to you by the Australian Refrigeration Mechanics Association and the Australian Refrigeration Association because we want to help improve the industry for you and with you. Of course we want you to join us in making the industry better for trade. For too long the HVACR trade has been ignored. More than anything that is about giving you a voice. It's time for you to be heard. That's part of what we will do for you. Tell us what you need to know and how we can serve you better. Your Trade, Your Rights, Your Voice! Mates Rates for Fridgys an ARMA an ARA Initiative App

# A grass roots solution for Refrigeration and Air Conditioning

## Representing qualified Tradespeople and Apprentices

### ARMA's mission

- is a platform for its members' voices heard by government
- drives government action, address members' concerns, implement a NATIONAL LY CONSISTENT TRADE BASED LICENSING and Upskilling of Cert III in ALL REFRIGERANTS!

#### OUR POINT OF DIFFERENCE

- We are, and always will be, a voice for trade qualified HVACR professionals, employees and businesses owners.
- Unlike other industry bodies, we're grass roots tradies ourselves
- With over 1,000 members, we're already one of Australia's largest HVACR industry bodies—and we've only just started.
