ABOUT US

The Australian Refrigeration Mechanics Association is an independent, not for profit organisation made up of Members who share a common goal – staying at the forefront of the Heating, Ventilation, Air-Conditioning and Refrigeration technologies, design and skilled tradespeople in Australia.

OUR PURPOSE

The mission of the Australian Refrigeration Mechanics Association is to promote future innovation, expansion and practice in the HVAC&R industry, for the tradespeople and broader community.

OUR OBJECTIVE

Our objective is to provide a forum for sharing of knowledge, and experience between Members and to circulate this information for the benefit of the HVAC&R industry in general.
